Dear Friends –

25 years of Community Health Center. It hardly seems possible. Fueled originally by the love and passion of a few, in 25 years, Community Health Center has grown to become a medical home to so many on Cape Cod.

*Only 5 years ago, at the 20th celebration, it was said:
"For those of us who were here since the beginning, it's a labor of love."*

We hope that you will support our *Treasures of Good Health 25th Anniversary Celebration*, taking place at Willowbend Country Club on October 13, 2023. We'll be celebrating the successes of our past and building upon that momentum for our next chapters.

Throughout 2022, Community Health Center increased our ability to continue addressing the most pressing issues facing our community. We provided behavioral health care to more than 3,000 patients, addressed the opioid overdose epidemic on the Cape, launched a remote patient monitoring program and provided critical assistance for patients facing food insecurity, housing insecurity and transportation. We increased our ability to serve more patients where it's needed with new locations in Falmouth. We helped thousands of individuals navigate applying for health insurance. And that's just part of the story.

We are proud that our efforts have been recognized from afar. We received several quality recognition badges from the Health Resources and Services Administration (HRSA), along with a grant to expand our virtual care program. Cape & Plymouth Business Media named us one of the Best Places to Work, a testament to the culture of compassion and excellence we've created internally. Accolades like these underscore our team's unwavering commitment to first-class health care.

A Board Member once said, that while the growth and success of CHC came through the endless generosity of CHC's volunteers, so too are our donors a prized members of our volunteer staff. The funds donated through your support and sponsorship of this event will help to further our mission in the next year and the years to come.

We have multiple ways to support our 25th Anniversary Celebration, including sponsorships, individual tickets and program book messages. Please consider supporting this important milestone so we can continue to be a treasured, impactful health care find for our community.

Best regards,

Treasures of Good Health Celebration

Recognizing 25 years of Creating Healthier Communities

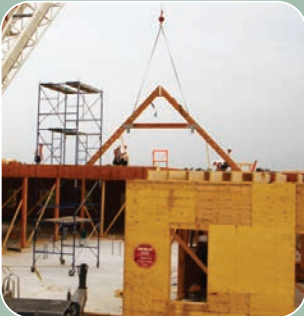

The beauty of sea glass is that it's a treasure made more beautiful by time. It can take decades for a castaway piece of glass to tumble into a captivating stone; a rare treasure capable of creating lasting joy for the beach comber.

Like that rare find, we continue to tumble, evolve and positively impact those who find us. And considering it's only been 25 years, just imagine what the future will hold!

Consider in the past year alone, we were able to achieve the following:

- Voted one of the "Best Places to Work" by Cape & Plymouth Business Media
- Our Dr. Prior was voted best Primary Care Provider on the Upper Cape
- Received a number of Quality Recognition badges from the Health Resources and Services Administration (HRSA), including Patient Centered Medical Home and Advancing Health Information Technology for Quality

- Opened a new office in North Falmouth for primary care, women's health and lifestyle medicine
- Opened a Retail Pharmacy location in Falmouth
- Announced plans for our collaborative location with the YMCA in Falmouth

- Launched our "3D" denture service in the Bourne dental clinic
- Implemented a long-awaited partnership with new eyeglass software program/vendor
- Continued to expand access to telehealth services across all offices
- Completed the HEALing Communities study addressing the opioid overdose epidemic on the Cape
- Successfully piloted a Lifestyle Medicine program with two staff cohorts and then launched a successful patient program
- Launched Remote Patient Monitoring program and relaunched Healthy Together Shared Medical Visits program for patients

- Raised more than \$120,000 from individual donations, and more than \$550,000 from private and family grants to support our mission
- Achieved an outstanding year-end financial audit
- Hosted our 22nd annual golf tournament, raising a record high \$83,000
- Received a grant of more than \$1 million from HRSA to increase access through virtual care

Sponsorship and Ticket Opportunities

Treasures of Good Health 25th Anniversary Celebration - October 13

Sea Glass Sponsor

\$25,000

- One preferred table for 12 guests
