As Community Health Center celebrates 25 years of providing access to care to the community, we are happy to announce the return of our annual Golf Tournament, on Monday, September 11 at Pocasset Golf Club. We are so very grateful for the support of our community, who have contributed to our successful auction and raffle. Thank you for your consideration of support for Community Health Center, and we hope to count on you in 2023.

Your generous contribution to this Tournament directly impacts our mission, and this year's event will support increased access to health and wellness programming for our community. CHC cares for more than 25,000 patients, and we focus on the whole health of the individuals we serve. Support of this event will go a long way toward increasing access to wellness activities that have had tremendous growth in demand in a post-COVID environment, including:

- Ensuring that all people have access to programs that curb the spread of chronic disease and improve health outcomes and overall wellness
- Supporting busy, working families and nurturing youth to build character
- Providing social and wellness programs for seniors to remain active and independent
- Offering unique programs such as lifestyle medicine, to prevent, treat and even reverse chronic conditions by replacing unhealthy behaviors with positive ones

So much of this is possible through the support of our community and events like this! We would be delighted if you would be willing to donate an item to include in our auction or raffle. If you are able to contribute, we would include your company on the Golf Tournament materials, providing great exposure as a supporter of the event.

Thank you so much for your support of Community Health Center. Your participation makes a true impact in our work, and we hope to see you at this great event during our 25th Anniversary year!

Sincerely,
