As Community Health Center celebrates 25 years of providing access to care to the community, we are happy to announce the return of our annual Golf Tournament, on Monday, September 11 at Pocasset Golf Club. We are very grateful that you have been a generous supporter of this event, and we are sending you a priority invitation for early registration for our Tournament - which has sold out the past few years. Thank you for your outstanding support of CHC, and we hope to welcome you back in 2023.

Your generous contribution to this Tournament directly impacts our mission, and this year's event will support increased access to health and wellness programming for our community. CHC cares for more than 25,000 patients, and we focus on the whole health of the individuals we serve. Support of this event will go a long way toward increasing access to wellness activities that have had tremendous growth in demand in a post-COVID environment, including:

- Ensuring that all people have access to programs that curb the spread of chronic disease and improve health outcomes and overall wellness
- Supporting busy, working families and nurturing youth to build character
- Providing social and wellness programs for seniors to remain active and independent
- Offering unique programs such as lifestyle medicine, to prevent, treat and even reverse chronic conditions by replacing unhealthy behaviors with positive ones

We hope that you will be able to join us at Pocasset Golf Club on September 11 (shotgun start at 12:30 pm) for some good company, competition, food and prizes, all for a wonderful cause. Be sure to register soon to secure your place in the event, by returning the enclosed sponsorship form, or by visiting CHCofCapeCod.org/golf.

Thank you so much for your support of Community Health Center. Your participation makes a true impact in our work, and we hope to see you at this great event during our 25th Anniversary year!

Sincerely,
