

## **The Clinical Pharmacist is the newest member of your Primary Care Medical Team.**

### **We're here to support you with your Diabetes, High Blood Pressure and High Cholesterol.**

- **Quick Appointments:** Get timely appointments for diabetes, high blood pressure and high cholesterol.
- **Medication Review:** Ensure you're getting the best results from your medicine.
- **Proper Medication Use:** Learn about correct dosing, storage, adherence, side effects and potential interactions.
- **Health Benefits:** Discover how a combination of medication, nutrition and education can improve your health.
- **Chronic Conditions:** Understand the impact of poorly managed conditions.
- **Team Approach:** We work with your primary care provider to maximize your treatment outcomes.

**To schedule an appointment, ask your provider or care team for a referral to meet with our Clinical Pharmacist. Thank you!**
