- Chris Ellis
- Madeline Kavanagh
- Tom Sensale

Dear Friends,

Over the past 25 years and counting, Community Health Center's Annual Golf Tournament has been an event to remember, and we are thrilled to invite you to be part of the *Best Monday of the Year*, on September 14 at Pocasset Golf Club!

Outstanding support of this Tournament from our generous community has enabled us to raise more than \$1.5 million to support CHC's mission, and we are happy to invite to join us for the 2026 event. The work of CHC is vital to shaping the health of our community through the provision of patient-centered, high quality, compassionate health care to all, regardless of ability to pay. Having generous supporters like you will help make achieving our mission and vision possible!

This year, the Tournament will raise critical funds to support CHC in expanding access to care through a new Sandwich office. In addition to providing increased access to care for current patients, the new state-of-the-art facility will address instances of high chronic disease and substance use disorders. This location will serve as the "complete medical home" for up to 5,000 patients. CHC will also offer outreach, enrollment and enabling services, with a special focus on underserved populations including Veterans, older adults and those under 100% of the poverty level.

So much of what we are able to accomplish at CHC is made possible through the support of our community! We would be delighted if you would be willing to donate an item to include in our auction or raffle. If you can contribute, we would include your company on event materials, providing great exposure as a contributor to CHC. If you are able to donate, please use the attached form. You can also learn about sponsorship opportunities by scanning the QR code or visiting CHCofCapeCod.org/golf.

Thank you for your time and consideration of continued support for CHC. We look forward to seeing you on September 14!

Sincerely,

Karen L. Gardner
Chief Executive Officer

Christopher C. Ellis
Director of Advancement
